# Dedication

(Above) Dr. Gibson inspects some work that he has typed on the computer.

(Below) A yearbook photographer catches Dr. Gibson by surprise.  
(Right) At a school activity, you'll always find Dr. Gibson.

In every man's lifetime there comes a moment when he feels the need to change and begin to move toward new and different horizons. Dr. Gibson, our respected principal, has felt this desire, and is leaving Clover Hill High School in pursuit of new opportunities.

Dr. Gibson first arrived at Clover Hill in 1974, two years after its opening. Since that time, he has shown his love for the school and respect for its students by attending numerous sporting events and school related activities. As well as cheering on the Cavaliers in football, basketball, and other sports, Dr. Gibson was a chief factor in Clover Hill's admittance as an AA school in the Virginia High School League, and even up to this date he remains a member of the Executive Committee.

Throughout his life, Dr. Gibson has attended various schools in preparation for a career in education. His many years in area colleges such as the University of Virginia, the University of Richmond, and the College of William and Mary have given him a firm basis for his leadership and faithful guidance of Clover Hill High School. His commitment to education is evident in the many improvements to Clover Hill in the past eleven years and in his efforts to make life at Clover Hill an enriching experience for students and faculty. The standards and quality of education that have evolved during his administration are a source of great pride for all of us. For this WE THANK YOU, DR. GIBSON, and, in appreciation, DEDICATE to you THE 1984-85 DUCEMUS.

Clover Hill High School, a member of the Virginia High School league, has experienced both the "thrill of victory and the agony of defeat" through our athletics. In the school year of 1984-85, spectators felt both enjoyment and pain. During the year students, parents, and faculty members celebrated with the victories of the powerful and successful teams and felt for those that were persistent but unlucky.

Clover Hill High School offers a varied athletics program

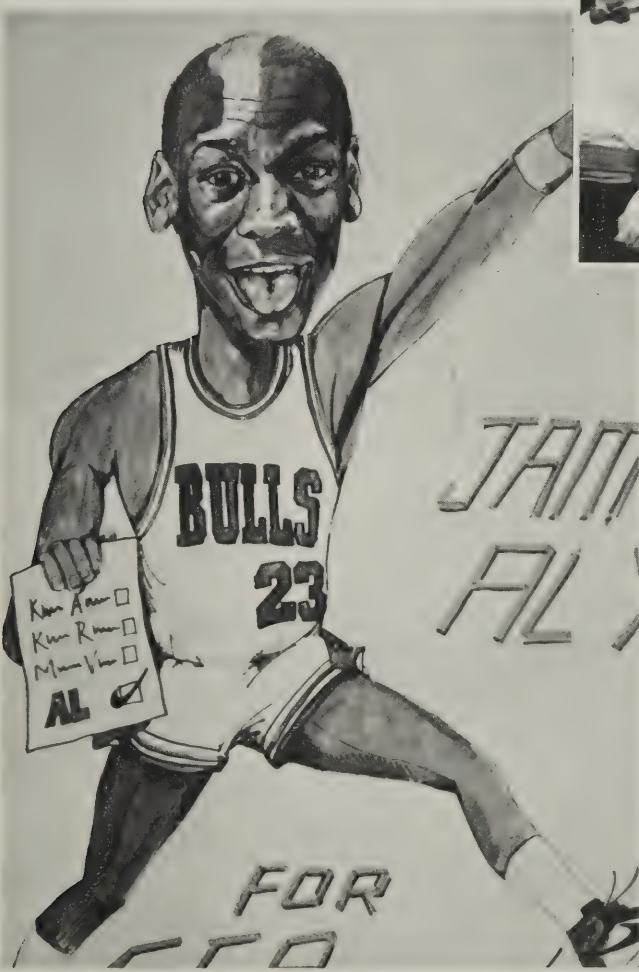

to suit everyone's needs. There are both junior varsity and varsity teams for both boys and girls. To the most outstanding athletes a letter is given to recognize their ability and hard work.

Above all spectators and players alike need to remember that the purpose of athletic teams is to promote physical, mental, moral, social and emotional well-being for the players through competition. It is also to be noted, that success or defeat is in itself of little importance.

There is a club for everyone at Clover Hill High School. Some of the clubs are for the talented like the Drama, Chorus, Band, Orchestra, and the Thespian Troupe. Many people enjoy interest clubs like the Science Fiction, Computer, Chess Clubs and the Forensic Team. Publications such as the Cavalierian, the Clover Patch, and the Ducemus are for the literary-minded. Some students are invited to join the NHS, the NAHS, the Key and Keyette clubs, and the Battle of the Brains team, the honorary organizations.

Along with these are the FHA, AIASA, and the French, German, Latin, and Spanish Clubs where a certain class is a prerequisite to membership. The career-minded student can decide his future with the FHC, DECA, FBLA, or VICA. One of the largest clubs is the SCA which is the voice of the students during the year.

Each student can find clubs and organizations to fulfill their social, academic, or career interests throughout their high school career.

The Senior Class of 1985 will remember many things from this, their final year at Clover Hill High School. The beginning of the year was full of many changes and events such as Homecoming and the Powder Puff Game. In October, seniors had the responsibility of giving the Junior class a ring ceremony. Through the year seniors ordered portraits, invitations, caps, gowns, and various other senior needs. The seniors also had fun with the prom, Senior Takeover Day, and Senior Skip Day. As graduation came closer, everyone felt both relief and fear about leaving high school. To make their lives more interesting, both May and June were busy months. There were last minute invitations to be sent to friends and relatives along with all those special events related to the end of school. First, there was the Senior Awards Assembly, where many received honors. Next, there was the Senior banquet where they took time to enjoy being seniors and remember the good times, as they listened to the Class History and the Prophecy. The Senior Superlatives and the winners of the Cutest Baby contests were announced. On the Sunday before graduation came the Baccalaureate, and then finally came the day that all students wait for, graduation.

As the students left on June 12, 1985 to pursue their own lives, everyone thought back to their time at Clover Hill High School and knew they would never forget all the times they had shared.

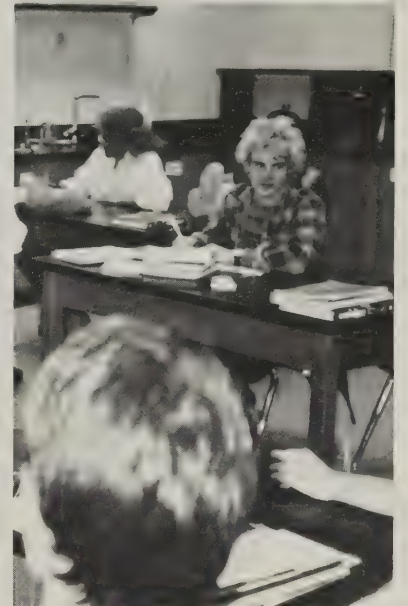

The Junior, Sophomore, and Freshman classes participated in many of Clover Hill High School's activities. Each group had something special that could be shared with their class.

The Juniors spent the majority of the year wishing they were Seniors, but there was a bright spot. The Seniors gave the Juniors a ring ceremony emphasizing the traditions of our school ring. As upperclassmen, they could now participate in such events as the Powder Puff Game and the Prom. The responsibility of the Juniors was to prepare the Prom. The Prom was paid for with money raised from Junior class dues and the sale of magazines and was a great success. Good Luck to the class of 1986 as they rise to their senior year!

The biggest event in the Sophomore year was the privilege to get their driver's license. The Sophomores could also breathe a sigh of relief, because they were no longer Freshmen. Throughout the year the class enjoyed such events as Homecoming Week and pep rallies. During the year, they also ordered class rings, in anticipation of becoming upperclassmen.

There was a huge change in store for the class of 1988. When they first walked into Clover Hill High School, they experienced a mixture of feelings. They were excited over being in high school, and they were afraid of what the year held in store for them. Many would be taking exams for the first time, and some were taking harder classes. With the difficult times of high school came the good times, too. For the first time they were able to participate in Homecoming Week, the dance, Clover Hill pep rallies, and many clubs and sports. By the end of the year, they were ready to be Sophomores and ready to lose the name "ankle-biters."

According to the handbook, students feel "that the activities program here at Clover Hill enriches the regular classroom program." Here at our school these activities cover a wide range of interests and include both the usual and the unusual.

Traditional functions unique to Clover Hill include the Mock Wedding and the Fall and Spring Fashion Shows, all of which are performed in the Commons during lunch. 1984-85 however, marks the death of yet another Cavalier tradition. The last Upstairs/Downstairs Faculty Softball game was played during the school day. No more can we determine if a teacher can field a ball as well as he/she fields questions in class or hit a ball with as much impact as they have on our lives.

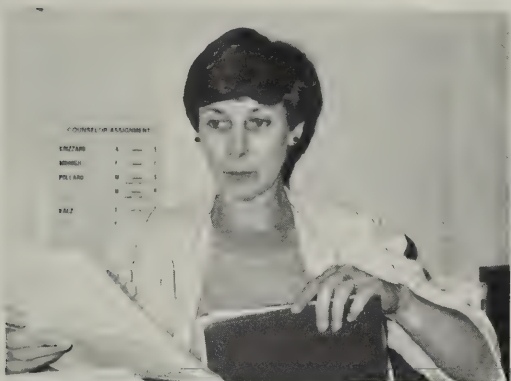

Class trips are a highlight for many and may take you anywhere from a canoe trip on the James to a visit to the state prison. Visits from experts and amateur enthusiasts in many fields and local and state politicians enhance the everyday pattern of classroom learning.

The Prom requires years of hard work and enthusiasm, while class projects may involve only a few hours of time.

Whatever your level of interests and enthusiasm may be, there is something for everyone here on the Hill.

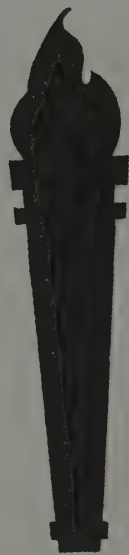

Anyone for long-distance cycling? tournament tennis? craft shows? traveling out of the country? collecting silver? taming hummingbirds? Special Olympics? Faculty members at Clover Hill are into these and other hobbies when they are not in the classroom. A well-rounded group, they lead multi-faceted lives from which we all benefit. These academicians, from varied backgrounds, have received degrees from colleges and universities throughout the nation. This diversity in leisure and education creates an integration of subject philosophies which are presented to students in a manner that provides a complete secondary education.

We take pride in the excellence of the curriculum offered and in the competence exhibited by faculty and staff.

The Junior Varsity opened the 1984 season with limited experience but a great deal of enthusiasm and determination. With time and hard work the team showed great improvement, playing very well during the end of the season. The team is now looking forward to next year and the opportunity to improve on their 2-13 record of 1984. With the returning players the team has a good base for next year to make greater strides in the Girls' Basketball program at Clover Hill.

Coach Bob Carden led the Girls' Varsity Basketball team in a 7-10 season. The hard work paid off. Leading the Cavaliers were Mickey Ford (MVP), and Holly Condrey (Coach's Award). In the Dominion District Tournament the Lady Cavs lost in a close battle with Manchester in the first round. Congratulations to the Girls' Basketball team for their winning season.

The girls' Cross Country team, led by Jennie Webb (all-district, all-region, all-state), Denise Lacey (all-district, all-region), and Mary German (all-district, all-region), began their season with wins over Meadowbrook and Varina at Meadowbrook. For the most part, the season continued in victory as the girls defeated Colonial Heights, Matoaca, Thomas Dale, Manchester, Powhatan, and Godwin. The only low point of the season was a loss to Midlothian, which was later avenged by the girls at the District meet when they became the Dominion District Champions. They were runners-up at the Region II meet, the sixth place at the State meet, and for the second year in a row, they were the Powhatan Invitational Champions.

The team members were Kathy Aardema, Heather Bahorsky, Mary German, Cris Grillo, Denise Lacey, Jenny Madden, April Piercey, Robyn Turner, and Jennie Webb. Denise Lacey was chosen as captain and Jennie Webb as MVP.

Jenny Madden sweeps by.

# Tracking Boys . . .

The Cavalier Cross Country team had a good 1984 season, finishing fourth in the Dominion District for the regular season and fifth in the Region I meet. The Cavaliers also showed well in invitational meets at the Fairgrounds, Powhatan, Charlottesville, and Williamsburg. The team was led by Tim Covington and Chris German who took first and second place in every race, including District and Regional meets. They also placed well in the Invitational in Charlotte, North Carolina. Tim and Chris were backed up in the District and Regional competition by teammates Aaron Gillespie, Chip Humphrey, Matt Mann, Reiner Wasner, and Mike Dipiero. In 1985, everyone on the cross country team is returning except for Covington, who will be running at Virginia Tech, and they hope for a great fall in 1985.

Three Cavaliers attempt to tackle a loose runningback.

Who was the biggest Varsity football player?

This year's football team was not quite what we expected. Even though they won only one game, the team still had a lot of fight in them. The victory they had over Meadowbrook gave them incentive and a reason to play. The next game was a defeat, but not a tremendous one.

Some new faces appeared this year, as well as some old ones disappearing. Matt Woodby, Greg Elms, and Mike Hairless contributed a lot to the team. Kevin Leigh and Joey Pausic disappeared the last part of the season due to injuries but continued their support from the sidelines.

This season was not a total loss, but just wait 'til next year, Right guys?!!

The coaches award was given to Troy Osterman and MVP was given to Mitch Miracle. Congratulations guys!

The 1984 Indoor Track Team enjoyed a fine season. The team traveled as far as Chapel Hill, North Carolina, and Williamsburg, Virginia, to compete in their six meets. At these meets, the Clover Hill team was against at least twenty teams, and always finished in the top ten. One of the amazing things about this team was that each member worked very hard, and everyone contributed to the team's success.

"I love it when the race is over, and we can PIG OUT!"

# Cavaliers Putt . . . for the Fun of It!

The Clover Hill Golf Team, with Mr. John Squires as coach, had a successful 6-4 season in 1984-85. Due to the loss of the previous year's seniors, the incoming freshmen became a new and vital part of the team. This team was Runner-Up in the District Tournament, beating the number one team, Manchester. Winning an invitation to compete in the Regional Tournament, the golf team finished fourth out of eight teams. The Most Valuable Player for the year was freshman Jeff Greenberg, and the Coach's Award went to freshman Donnie Saylor. Despite the departure of senior Jeff Lenert, the golf team, with its 1984-85 members plus rising freshmen, will have a chance to reach the top. Congratulations on a season well played and good luck in future seasons.

The J.V. Basketball Team started the season with the defeat to the L. C. Bird in a close game in which both teams played a tough game. Early in the season the Cavs were defeated by Midlothian but kept their heads up and went on to beat Matoaca, Thomas Dale, and Powhatan twice later during the season. The J.V. Cavaliers ended their season with an impressive 11-7 record.

The players of the J.V. team surpassed many of the other teams they played this year. They kept their chins up and played as a team throughout the season. Good Luck to the 1984-85 J.V. members in the future when they represent Clover Hill on the Basketball team.

# The Cavs Take the Lead in the

The Cavalier basketball team returned four starters from the 1983-84 Dominion District co-championship team. Returning starters were Tim Llewellyn, Scott Braithwaite, Rich Rogness, and Roy Clark. Chris Conner stepped into the remaining post position. Other seniors playing an important role in the success of the Cavaliers were Eric Miles and Mark Cummings. The Cavs were supposed to finish high this year based on returns, but surpassed expectations with a 19-1 record, and another Dominion District Championship.

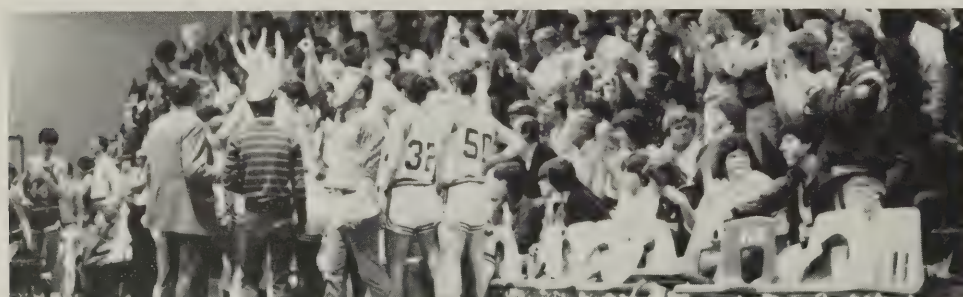

The Cavaliers opened with an impressive 62-42 victory over L. C. Bird. After a double overtime victory at Thomas Dale, the Cavs went into Christmas Break with a 5-0 record. Clover Hill suffered their only regular

season loss to Manchester 51-53 upon returning from the break. The big game came late in the year when Colonial Heights came to Clover Hill with a 15-1 record. The overflow crowd was impressive, and the 82-65 Cavalier victory was equally impressive. The Cavs clinched the regular season Dominion District Championship when Rich Rogness hit a jump shot against Mills Godwin with two seconds remaining. A victory over Varina the following Friday enabled the team to finish with a 19-1 record.

The Cavs found the going tough in the Region I Tournament against a much taller Sussex Central team. The Tigers broke open a tough ball game with four minutes remaining to post a 70-59 victory.

# Men S P r i n g into Action

The 1985 Clover Hill Men's Gymnastic team again came away with a state placement. The Cavaliers were the 1985 Virginia AA and AAA state runner-up team. Outstanding performances were given throughout the season by freshman Johnny Murrell and sophomore Ted Trebour. Individual event specialists included Freddie Mitchell, Todd Dyer, Jamie Mitchell, and Ricky Shires. The team was led by junior co-captains Tim Mullins and Bobby Brankley.

Having only one regular season meet, in which the Cavaliers defeated AAA stronghold Lake Braddock, and being the only team representing the Southern Region, the Cavaliers knew they would have to work extremely hard to repeat as last year's state champions. Bobby Brankley and Tim Mullins helped to put in a strong performance, but were outdone by the AAA Northern Regional Champions, Annadale. The Cavaliers, being the only AA school competing in the meet, shocked everyone again with their second place finish.

Though they did not come away with the team championship, the Cavaliers, with strong individual performances, took four out of seven individual titles. Tim Mullins had a first place finish on the high bar, and for the second year in a row won first place on the rings. Bobby Brankley tied Mullins on the high bar. Bobby also finished with a first place on the parallel bars and second place on the rings. Brankley's high placing and strong performances in the remaining events earned him first place, Virginia State All Around title. Johnny Murrell and Ted Trebour also scored high in the meet. Congratulations to the Men's Gymnastics Team for a fine season!

# Jolting Gymnasts

The girls' gymnastic team had a terrific season capturing both the Dominion District title and winning the Dominion District tournament. The girls finished with a record of 8 wins and 0 losses. The girls also captured the Region I Runner-up title and went on to the State Competition where they placed fourth. The team established a new team all-time high scoring record of 99.2. Several outstanding individuals led the Cavaliers to victory. They include freshman Jenny Rogness, juniors Cami Rutledge, Crissy Andrews, Vickie Baughan, and senior Captain Julie Gerold. Julie led the team scoring shattering every school record to date. Gerold also swept the regional competition and several events in the state meet. Overall, this was the finest girls' gymnastics team Clover Hill ever had. Congratulations on a fine season.

The 1984-85 Tumbling Team really flipped over the Cavaliers this season. Team members performed at both pep rallies and at home football games.

In the spring of '84, ten girls and one alternate were chosen the best from a field of fifty plus girls to form the Cavalette Squad.

During the summer, the girls worked hard at the Superstar Drill Team Camp held at the University of Richmond. Jan Copley was selected from among 16,000 teenagers to be included in a 136-member unit that performed in the Aloha Bowl in Honolulu, Hawaii and in the Saint Patrick's Day Parade in Ireland.

The squad performs to popular music during pep-rallies, home football and basketball games. The girls do their best to make their sponsors, Mrs. Brenda Harlow and Mrs. Patti Kauzlarich, proud of them.

Jan Copley, a senior at Clover Hill High School, was selected to be a member of the 136-member unit that performed in the Aloha Bowl in Honolulu, Hawaii and in the Saint Patrick's Day Parade in Ireland. She had no idea she was going to be selected until she was chosen by her parents. When Jan arrived in Hawaii Dec. 22, a week before the Aloha Bowl, she was really nervous. She was going to be a part of the Aloha Bowl, a beautiful island of Oahu where the game was

held. Unfortunately, that wasn't the only experience she had. She was also selected to be a member of the Saint Patrick's Day Parade in Ireland. The parade was held in Dublin, Ireland, and Jan was really nervous. She was going to be a part of the Saint Patrick's Day Parade, a beautiful city of Dublin where the parade was held.

In addition, Jan received many awards. She was elected homecoming queen at Clover Hill High School and is a member of the American Quarter Horse Association. She has also received many awards for her riding. She is a member of the American Quarter Horse Association and has received many awards for her riding.

A young but talented Varsity Soccer Team fought its way to a 7-4 record this year. The Cavaliers, led by junior Craig Etheridge, sophomores Peter Kane and Jeff Fitzgerald, and freshman Joel Hughes, played fierce, attacking soccer aided by a veteran defense which included seniors Jimmy and Eddie Kinlaw, Ben Madden, and Junior Gary Ragan. Peter Kane was named the Most Valuable Player and Jimmy Kinlaw received the Coach's Award.

The Clover Hill Junior Varsity baseball team had a positive season which provided a great deal of playing time for the players. The season started on a winning note with the Cavaliers running up an early 6-3 record, but due to injuries and other circumstances went into a slide that lasted the remainder of the season. The good that came out of this was that each player on the team got significant playing time which should boost the prospects for all concerned in the 1986 program.

"Pitch that ball and I knock it to Powhatan!"

With ten of sixteen District games decided on one or two runs, the varsity baseball team fought each game to the last out. They were led by the pitching of Rich Kerr, who was 8-2 in District play, and the hitting of Greg Harding, who hit .476 with 7 homeruns and 28 RBI's. Brian Connelly and Darian Dawson also shared the pitching duties, and Eric Miles and Kelly Bonds provided extra power at the plate as the Cavaliers fought their way to a 12-6 record before losing in the last inning of their tournament game against Meadowbrook. Kevin Leigh, Joey Pausic, Chris Goodman, Neil Harding, Kurt Bowles, and Andy Smith proved invaluable with the glove and bat on a team that placed five on the All District Team. Greg Harding and Kevin Leigh made First Team, while Eric Miles, Rich Kerr, and Kelly Bonds were Honorable Mention. Greg Harding was also named to the All Metro and All Region Teams.

The Clover Hill Softball team completed another fine season in 1985 with a record of 11-7, 12-8 and a third place finish in district play. Highlights of the year were a 9 to 5 victory over previously unbeaten Powhatan to take first place early in the year, and a 6 to 2 decision over Meadowbrook in the quarterfinals of the District Tournament, the team's first post-season victory since 1978. With this fabulous record the team ended up third in the Dominion District. The team was led by four seniors who will be missed in 1986. These are second baseman Carrie Anderson, pitcher and team captain Julie Edmonds, catcher Mickey Ford, and third baseman Robin Newsome. Edmonds and Ford were both chosen to 1st team All-District, shortstop Kathy Naworal received honorable mention.

# Spring Track

Well, the boys' spring track team did it again. For the past two years the track team has managed to bring home two district titles. Having lost only to L. C. Bird by two points and having destroyed nearly every other team, the group with head coach Jim Wagoner went to the district meet with fire in their eyes. Expecting to be only twenty points behind L. C. Bird after the field events, Bird's strongest area, the Cavaliers worked even harder. Tremendous efforts by Greg Elms in the discus, Tim Llewellyn in the high jump, Buddy Omohundro in the triple jump, Eric Gass and Rebel Holbrook in the pole vault put Clover Hill within one point of the leader. The next day ended it all. The Cavaliers "left L. C. Bird in the dust" with outstanding performances by David Flemming in the high hurdles, intermediate hurdles, and mile relay, Todd Walsh in the intermediate hurdles, Buddy Omohundro in the high hurdles, Robbie Mast in the intermediate hurdles and mile relay, Mark Cummings in the 100 meter, Eric Gass in the mile relay, Aaron Gillespie in the mile relay and half mile, and Chris German, Tim Covington, and Mike Dipiero in the mile and two mile. The boys' team went on to place second in the Regional Meet with many of the same individuals scoring for the team. These people then went on to the state meet, in which Greg Elms placed second in the discus.

In 1986 the Cavaliers will be aiming to win the district title for the third time when most of the team's talent returns as seniors.

# Girls — 1985

Up! Up! and Away!!!

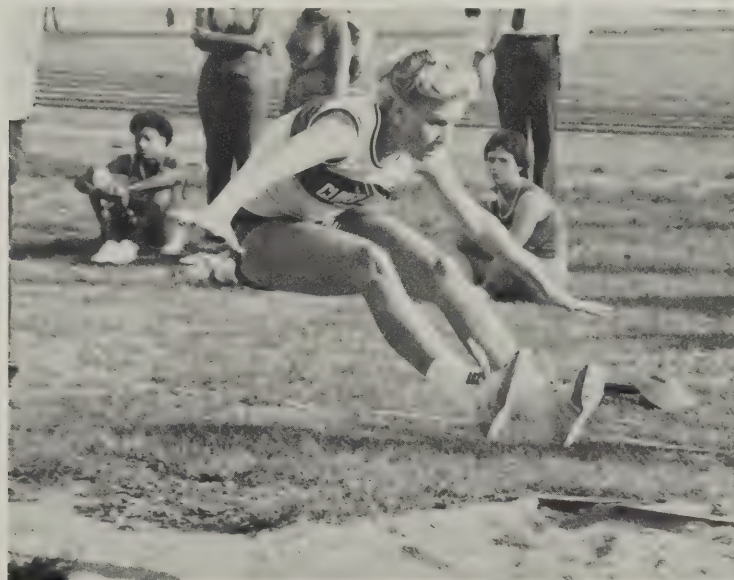

The girls' track team, coached by Wayne Meher, had a successful season in 1985, placing fourth overall in the District Meet. The girls managed to defeat Colonial Heights, Thomas Dale, Godwin, Powhatan, Varina, Matoaca, and Manchester. In Regional competition, points were scored individually by Jennie Webb, Mary German, and Tracy Abbott all of whom advanced to state level competition. The mile relay team, composed of Kendy Williams, Becky Angus, Jenny Rogness, and Tracy Abbot placed fifth, adding to the total number of points for Clover Hill at the Regional Meet.

Several school records were set by this team.

They were as follows: Mary German — one mile; Robyn Turner — 800 meters; Mary German, Jenny Madden, Robyn Turner, Denise Lacey — 2 and 4 mile relays.

Ronald Reagan was re-elected for U.S. president, Prince Harry was born to Prince Charles and Princess Diana in England, famine struck Ethiopia, Lionel Ritchie swept the Grammy Awards with the performances of such hits as "Hello" and "All Night Long," and "Amadeus" won for Best Movie at the Academy Awards Ceremony. These events colored the world in 1984-1985 while the activities of the senior class colored the life of Clover Hill students. These colorful events included holding the ring assembly and reception for the juniors, getting caps and gowns and announcements, attending the senior banquet, and taking part in the annual Senior take-over day. "Senioritis" was noted among many during the impatient wait for that final fateful day. Although most seniors were indignant over the removal of such critical senior institutions as the Senior Class Picnic and the Last Will and Testament, the class of 1985 maintained their dignity and made no radical protest. Yes, this senior class definitely lived up to the phrase "The few, the proud, — the BEST!" With a class performance . . . and let Clover Hill High School never forget us!

# In Pursuit of Excellence . . .

The National Honor Society is a student organization based upon service, scholarship, leadership and character. Members must have a minimum grade point average of 3.6 and participate in at least 2 extra-curricular activities. One of the activities that the NHS participated in this year was sponsoring an open house for new students and parents at the beginning of the year. Members acted as guides and gave directions.

NHS Officers David Brandt (Vice President), Jimmy Kinlaw (President), Tu Linh Le (Secretary), Robin Newsome (Treasurer)

The Ducusen Staff wishes to thank all the teachers, students, and everyone else who gave us support and help throughout the year. We, the members of the year-book staff, would like to also give a big thank you to the people who served as our chauffeurs, cooks, teachers, and friends, our sponsors Mrs. Palmer and Mrs. Lindsey, for all their hard work and time.

This year the *Cavalierian* had an almost completely new staff so they had to start from scratch. With a great deal of hard work, this new staff got it together in time to meet their deadlines. Each newspaper contained news, entertainment, comics, and a feature section.

The editorial policy of the newspaper is very important. It states as follows: The *Cavalierian* is a scholastic newspaper staffed by and written for the students of Clover Hill High School. The *Cavalierian* prints material of concern to the entire student body and works closely with the administration to produce an effective means for the betterment of the students of Clover Hill High School.

*Cavalierian* editor, Keith White, finishes up a full day.

What printing technique was tried for the first time this year?

# Clover Patch

The Literary Magazine here at Clover Hill is called the Clover Patch. It has been in existence every year since the second year of Clover Hill's start. The Clover Patch serves as a representation of Art, Prose, and Poetry of the students here at our school. This year's theme was "Pinwheels." The magazine sponsors a schoolwide creative writing contest in order to promote and recognize excellence in writing. Cash prizes are awarded in Prose and Poetry.

During the year two movies are sponsored by the Clover Patch and are shown through the English classes. This year the movies were "My Fair Lady" and "Fahrenheit 451."

In the fall of '84 Clover Hill was notified that the Clover Patch had won first place in a nationwide contest for Literary Magazines after winning first place in a statewide competition.

Members of the poetry staff look over selections.

Sitha Madhavan and Elizabeth Butler discuss prose entries.

Sponsor Mrs. Linda Boggs smiles with relief at the Homecoming Dance as she enjoys the success created from long hours of hard work.

The S.C.A. started the school year as usual with the sale of student I.D. cards. These cards are sold every year and proceeds are used to fund our annual Homecoming Week. The year 1984-85 was particularly exciting as Homecoming Spirit Week included days such as Class Day, where the most interesting participants were the few brave freshmen dressed as Smurfs. Sophomores also showed their spirit by mimicking "Oxford Blues," while Juniors imitated the "Blues Brothers," and Seniors wore togas as usual. Nerd Day, Sweats Day, Punk Day, and of course Cavalier Color Day finished out the week. The traditional bonfire was held Thursday night of Spirit Week. Before our football game, on Friday, all the floats paraded around the field along with cars holding the Homecoming Princesses, one of whom was soon to be the Homecoming Queen. The Homecoming dance was held the following night and enjoyed by all. The theme "Where Everybody Knows Your Name," was announced for everyone to see by balloons for each Clover Hill student.

Denise Lacey (Business Manager), Amy Rice (Corresponding Secretary), Mary Lou Horner (Senior Class Representative), Scott Boggs (Sophomore Class Representative), Vickie Baughan (Recording Secretary), Hae Kim (Vice President), Chris Crowe (Freshman Class Representative), Kathy Aardema (Junior Class Representative), Mark Cummings (President), Mrs. Boggs (Sponsor)

To try to boost Holiday spirit, we put a Christmas tree up in the library. After exams, we helped improve spirits by sponsoring a "Breakdance." Although attendance was not at its maximum, because of bad weather, it was an enjoyable evening. The S.C.A. provided the student body with a bonus this year. All S.C.A. I.D. card-holders were able to participate in three Free-Fine days at the library in the spring when all fines were suspended. As usual, the S.C.A. finished out the year by electing new officers and holding their installation at the grade level award ceremonies. A big THANK YOU and a fond farewell must go to Mrs. Linda Boggs for all of her hard work and time, during her 2½ years as sponsor of the S.C.A. We will miss you in the future and wish good luck to you in everything you do.

# Chess Club

In 1984-85 more people were involved in the Chess Club than in past years. Not only did experienced players participate, but beginners attended simply to learn. The student-faculty meet was the highlight of the year. The faculty fared much better this year than last year, and many more teachers participated. The Chess Club hopes that the participation and interest expressed this year will be reflected in years to come.

Seated: James Creamer, David Brandt (Sec.), Eddie Kinlaw (Pres.), Mr. Houghton (Treas. and Sponsor), Chris Mullins. Standing: Scott Bailey, Jimmy Kinlaw, Johnny Lockett, Dawn Mann, Chris Malek, Skip Sneed, Robert Glenn. Standing, 2nd Row: Greg Smith, David Ryan, Aaron Gillespie, Kevin Nunnally, Brian Lindholm.

## Battle of the Brains

This year's on-camera team is composed of Greg Smith (Captain), Jimmy Kinlaw, Eddie Kinlaw, Skip Sneed, and Scott Leyers. The Coach is Mr. Childress. This all-senior team could be found competing against two alternate teams which included David Stevens, Patrick Gillespie, Aaron Gillespie, Judi Carney, Jeff Creamer, Mike DiPiero, Chris Mullins, and Robert Glenn.

Many afternoons found the team answering thousands of trivia questions while competing against each other as well as faculty teams. In mid October, the team easily defeated Patrick Henry High School. In late December, Clover Hill was narrowly defeated by Collegiate after leading up until the last two minutes of the match.

First Row: Eddie Kinlaw, Skip Sneed, Jimmy Kinlaw, Mr. Childress, Sponsor. Second Row: Greg Smith, Scott Leyers.

# Forensics Team Has Outstanding Year

Clover Hill's forensics team led by their sponsor, Mrs. Coffey, participated in several meets this year and did outstandingly well. Forensics, which is a club organized to enhance public speaking, allows students to compete on both novice and varsity levels with other high school students around the state. Among the meets attended were the Monacan and Longwood Invitationals, and a speaking workshop at Matthews High School.

David Stevens practices reading to Mrs. Coffey.

## Cavaliers in Health Fields

*How many pints of blood were collected from Clover Hill on May 10, 1985?*

The Future Health Careers is a club designed to encourage students' interest in health fields and careers. Future doctors, nurses, lab technicians, and researchers meet once a month and visit area hospitals. The major project of the Clover Hill FHC is participation in blood drives. These blood drives, collected in both the fall and the spring of the academic year, aid the Richmond Metropolitan Blood Service a great deal. The FHC wishes to thank all who gave on these dates and always encourages new members to join.

Always working, Mrs. Lindsey proofreads, even as her life's blood is draining away.

The computer club is an organization whose goal is to give service to the school and community through the use of computers. This year for the first time the club entered a float in the homecoming parade. Teachers have been given computer-generated banners and posters. Work was started on a project to debug some math-oriented public domain software for use in classes. The club sold academic t-shirts to raise money to buy a speech synthesizer for the school. Some club members have entered a graphics contest using special touch-pad software.

*Who was the female lead in the Murder Room?*

The Clover Hill chapter of the NAHS was established four years ago and has continued to grow in size and activities each year. The 1984-85 school year was a full one with fifteen new members added at their ceremonies in December. The organization's goals are to recognize outstanding art students and promote art in both the school and community. Members of the 1984-85 NAHS participated in many art shows, including the Spring Arts Festival and Sovran Bank shows. Work was hung in Delegate Watkins' Office in the General Assembly this fall, and in the spring they put up a display of member's work at Johnston Willis Hospital. Other activities included a weekend workshop series at VCU and involvement with the SOS (Save Our Statue) project by designing and making banners. A trip to New York City is planned for the fall of 1985, and it is hopeful that many of the 1985 senior members will return to make the journey.

# Making Music

The Clover Hill Choruses were very active during the 1984-85 school year. Cavalcades sang for the parents at Back-to-School night in September. In November the Clovehliier Singers sang for the Food Services' fall meeting. A winter Concert was given in December by all groups for the school, and some groups went Christmas caroling at various nursing homes.

February was a very busy month. Sixteen students attended All-Regional Chorus at University of Richmond, where All-State Chorus auditions were held. Three Clover Hill High School Students were selected — Tracy Coakley, Keith Duncan, and Troy Osterman (alternate). The Cavalcades sang for the 6th and 7th grade All County Chorus, and a Pops Concert was given for the school.

In March at the District Vocal Festival held at Clover Hill, each chorus sang for judges and received either a superior or excellent rating.

*Times in Song*, the spring show, was presented in May with music from the 20's through the 80's. At the awards assembly Melissa Hogan and Keith Duncan received the chorus scholarship awards. Singing at graduation ended the very active school year.

# The Keyette Club

The Keyette Club is a service organization sponsored by the Brandermill Kiwanis Club. The purpose of the club is to work for the school and community. This year's club has visited Chippenham Hospital, Ginter Hall Nursing Home, and Children's World. Money was raised for Thanksgiving baskets, WRVA's shoe fund, toys for Children's Hospital, and for a national disease-research project. In the school, the Keyettes have provided breakfast and Valentine treats for the faculty, recognition for honor roll students, and service as guides at the Open House. The 1984-85 officers were Valerie Stinnett, President; Jenny Hopkins, Vice-President; Tracey Shoemaker, Treasurer; Leslie Shanklin and Tener Williams, Secretaries; Mrs. Jenkins, faculty Sponsor.

# The Key Club

The Key Club is a community service organization. This school year each member was required to serve fifty hours of service for mankind. In searching for their goal, the club committed five hundred man-hours to the Brandermill Community Association and helped with Special Olympics. Many members painted the dividers in the school parking lot and the bus loop. They bought toys and delivered them to the Children's Hospital for Christmas. The club was also involved in several smaller projects that were just as important to our community as the larger projects.

The Clover Hill French Club has grown by leaps and bounds this year. Under the firm leadership of sponsor Claire Colbert the club has scheduled many events to keep interest up. Along with the yearly Homecoming Float, the club had a restaurant trip, enjoyed a Christmas caroling party, and sold pies and Santa grams. The members were great with lots of people enthusiastically participating for the first time in years. The officers were as follows: Jimmy Kinlaw, President, Valerie Jinnette, Vice president, Callie Householder, Secretary, and Hae Kim, Treasurer. The French Club invites all French students to join the club next year.

Serving in 1984-85 were Maria Biggers and Larry Robertson (Co-Presidents), Melinda Black (Secretary), and Cheri Smith (Float Chairperson — Historian). For Thanksgiving the club members had a very profitable pie sale to help finance the year's activities, one of which was the building of the float for the Homecoming Parade. Returning as 1984 champions in this competition, the club was very happy with their second place prize. In the spring the group went to the Mexican Restaurant, Chi-Chi's, to enjoy part of hispanic culture. Ending its year the club celebrated with a picnic for the active members.

For how many consecutive years did the Spanish Club win first prize in the Homecoming Float Competition?

DECA, a youth organization for students enrolled in Marketing, was extremely busy in the 1984-85 school year. The club was involved in various activities. One of these was their participation in the Homecoming Parade, where their float received first prize. The officers attended an officer training conference at VCU. The Fall Fashion Show, with its theme, "Winter Wonderland," provided students with some holiday shopping ideas. For Thanksgiving the members brought canned goods from home to be given to the less fortunate.

During the Christmas season, the club was very busy. As members of the Marketing Department, students donated loose change for two weeks. This money went toward toys and baby items for the Children's Hospital. DECA members attended a lovely Christmas banquet at D.J.'s Restaurant.

Many members attended the Annual District Leadership Conference. Here many first, second and third place awards were given to Clover Hill students. To celebrate National Vocational Week, the club was treated to two guest speakers and a DECA social, while members of the faculty and staff were presented with carnations. Ten Clover Hill students were sent to the State Leadership Conference at the Hotel Roanoke where Bernard Wallace won third place in the Student of the Year contest, and Elliot Kassman won first place in the Job Interview contest. In the spring, "I Like Your Style" was the theme for a second fashion show. During all three lunches students were given a chance to see casual and formal wear. To end its year the club gave an Employer-Employee Banquet to thank local businesses who had supervised the Marketing II students during their on-the-job training.

The purpose of the Science-Fiction Club is to bring together students who enjoy science fiction and adventure and who share common interests. Members learn from each other about areas of science fiction and share thoughts about new books, movies, etc. . . . The club meets at least one time a month.

During the year the club members constructed sci-fi trivia questions to be used in a computer game. Members played trivia games at meetings and watched a James Bond movie. During the year another movie plus many other outings were planned.

## FBLA REPORT

FBLA is based on five areas of concentration. They are Social, Financial, Business Skills and Knowledge, School and Community Service, and Leadership and Promotional Skills.

FBLA has had various socials this year including a recruitment social, a Vocational Week social for students and teachers, a bowling tournament, and a Christmas Party.

For the financial aspect of our organization, the students sold various items in a Tom Wat Kit and they also sold donuts twice during the year.

We have had various guest speakers talk to the students concerning dress, job interview skills, business schools in the area, and businessmen who have given insight as to their success stories.

Our major school and community service project for this year was the Project Ask. We held a type-a-thon in February to raise money for the Associational Study of Childhood Cancer.

Our FBLA Regional Competition was held on March 2, 1985, at

# VICA Has a Successful Year

The 1984-85 chapter of the Clover Hill Vocational Industrial Clubs of America began its year by electing club officers and holding an installation breakfast. One officer, Ted Shashaty, was also chosen as V.I.C.A. District XII Treasurer. The club held a pizza treat in October for all members to kick off the new year, where they contemplated what would be the 1984-85 community project. In November, club president Charles Dix announced that Clover Hill's V.I.C.A. club, in cooperation with Grange Hall Elementary, Swift Creek Middle, and Swift Creek Elementary schools, would begin a fundraiser to aid in the restoration of the Statue of Liberty.

After completing the Save Our Statue project in February, preparation began for the District XII Skills and Leadership contests held at Park View High School in Mecklenburg County on March 16. A club display by Jerry Morgan, Mike Brunner, Bruce Harrelson, and Daryle Panek won first place in the district. Ted Shashaty won first place in spelling, second in current events, and second in the posters contests. A bulletin board done by Bucky Craft, Chris Slack, Donald Mays, David Toth placed second. The first place winners along with two delegates, Donald Mays and Daryle Panek, attended the State Leadership Conference in Washington, D.C., April 25-28. There they enjoyed two days in the city before competition began on the 27th. Clover Hill's display won fifth place, and Ted Shashaty placed fifth in the state spelling competition.

In May, at the employer-employee banquet at Brandermill Country Club, Ms. Cifelli re-presented the district and state awards to Ted Shashaty.

A "Senior Appreciation" day was held before exams took place. This was to wish all V.I.C.A. members and graduating seniors best wishes for a fulfilling and prosperous future.

# S. O. S.

On January 30, 1985, Clover Hill High School launched its SOS project. This "Save Our Statue" project was a community undertaking for the VICA club, led by Mrs. Cifelli, with help from other school organizations such as the Key Club, DECA, and the National Art Honor Society.

This SOS project was begun to raise money for the restoration of the Statue of Liberty and Ellis Island in New York Harbor. Because restoration costs are immense, (approximately 230 million dollars) schools around the nation began raising money in the form of pennies, nickels, dimes, quarters, and dollars. In a community effort, Clover Hill, aided by Swift Creek and Grange Hall Elementary schools and Swift Creek Middle, collected money in homerooms January 30 through February 13.

After each collection date, the homeroom with the highest total was announced. The homeroom with the highest total after all the collection days was Mrs. Palmer's senior class and as a reward they received a giant ten pound candy bar.

A goal of \$500 was set for Clover Hill which was surpassed by well over \$300. The combined total for all four schools was \$2207.71 — a tremendous accomplishment for such a worthy cause.

On April 26 and 27, 1985, the Cavalier Players performed another successful play called "The Murder Room." The dedicated students involved with the Cavalier Players worked with director, Mrs. Lynne Scott, for three long and difficult months to get this play on the stage. The members of the cast were Susan Ehler, Chris Campbell, Tessa Dalton, Matt Vance, Kim Livingston, and Jason Thomas. Sissy Reamer sat in the Assistant Director's chair, and Ellen Mann was the stage manager. The 1984-85 school year proved to be an excellent year for the Cavalier Players, and the prediction is that the 85-86 year will be even greater.

*How do you spell "deranged"?*

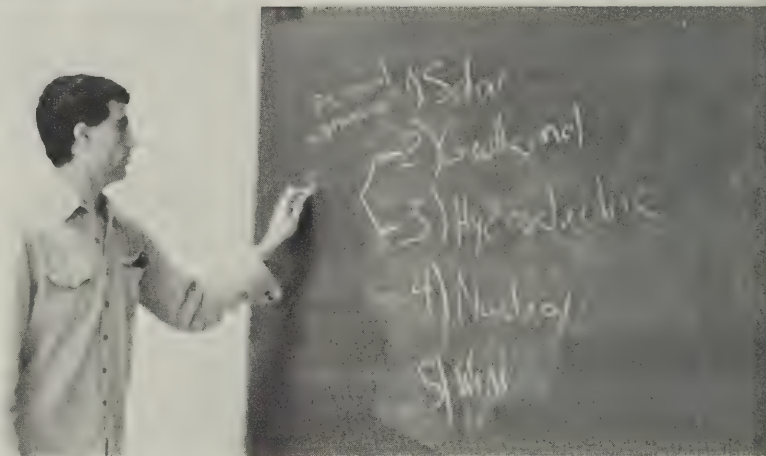

Have you ever felt that a teacher had the easiest job in the world? Many seniors who had believed this changed their minds on Thursday May 30, 1985. This was a day students had waited for since kindergarten, the day they became Teacher for a Day. A large number of seniors participated in this day by first asking a teacher and then signing up to teach that class. On May 30th, they were given many of the luxuries of being a teacher. They were treated to such things as the faculty lounge (for a while, anyway), faculty lunch room, and the privilege of giving demerits. With all the fun came the disadvantages of being teachers, also. They had to be at school earlier than usual and awake, and they had to put up with many of the loud-mouthed students. Hopefully this senior tradition stays with Clover Hill, because it's fun for the seniors and the students, and it's also a change for the faculty.

## Upstairs vs. Downstairs

The annual Upstairs-Downstairs Faculty Softball Game took place on a beautiful spring Friday afternoon during sixth period. The undaunted Upstairs Team tried enthusiastically to overcome the domineering Downstairs Team. With "Jubilant" Johns pitching to catcher "Hootin'" Harlow, the downstairs led during the first few innings. Then there was a comeback by the Upstairs when "Legs" Lasswell got a base hit, followed by "Anxious" Agnew and "Hit 'em High" Houghton. The fun-filled afternoon ended in a tie game. It is difficult to determine who had the best time — the spectators or the players.

# A Taste of Fashion in the 80's

When you walk into the lunchroom and see that every seat has been taken, you know that there is going to be a fashion show. Every year the Fashion Merchandising students, under the leadership of Mrs. Lukens, Mr. Martin, and Mrs. Estes, gives the Clover Hill High School a taste of the new fashions. In the 1984-85 school year, the students and faculty were treated to both a fall and a spring show. The Fall Fashion Show's theme was "Winter Wonderland." In this show, students were given some Christmas shopping ideas. "I Like Your Style" served as the theme for the spring show. Here, students were given a chance to see casual clothes for the summer and, also, formal wear for the prom.

The shows were not all fun and games, though. The fashion students had a huge job to do before either show could become a reality. First, they had to find the merchandisers to lend Clover Hill the clothes. Next, they had to make sure everything was perfect for the show, like the display and the music. Then, they had to get up in front on their friends and other students to model the clothes. After the show, both students and performers agreed it was a lot of fun.

## Model County Government

Row 1, L to R: Kim Livingston, Kim Anderson. Row 2: Mr. Barham, Bryan Robertson, David Ryan, Joey Pausic, Kevin Shannon, Robert Smith.

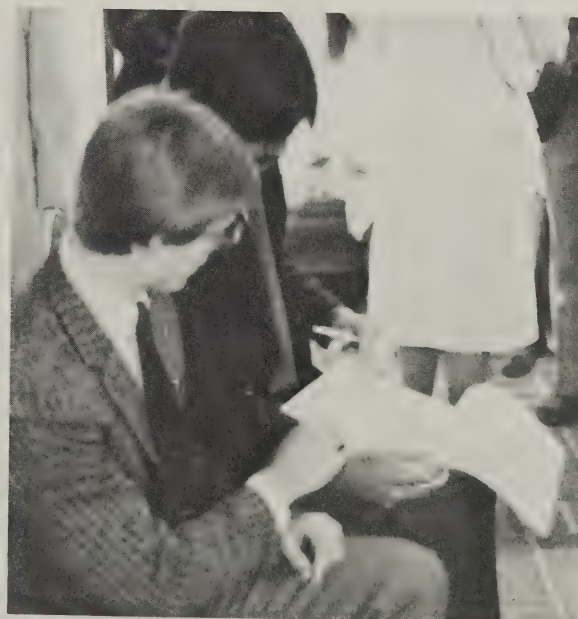

Joey tries out his seat on the Chesterfield Board of Supervisors.

Clover Hill Government students had the opportunity to participate in a program sponsored by Chesterfield County. This program, Model County Government, allowed students from area high schools to meet with school and government officials for two days to learn a little about their occupations. Students met for several training sessions in March and April, and finally participated in Model County Government Day on May 1. On this day they not only met with their respective officials, but also held mock Board of Supervisors and School Board meetings. At these meetings pertinent legislature was introduced, discussed by the board, and passed. This experience allowed students to see first hand how the school and county departments are run.

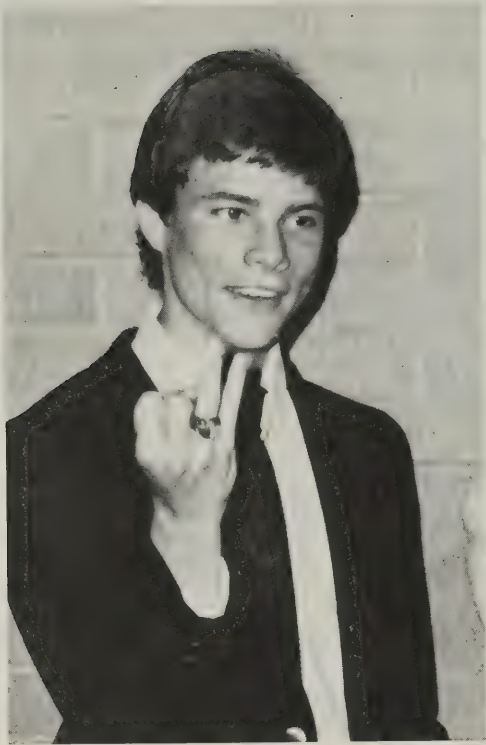

Robert Smith meets with his county official, Airport Director, Thomas Callahan.

Joey and David do some "serious" planning for the upcoming events.

# The Rings

# Arrived

... And the initiation of the Juniors into the world of upperclassmen took place during a well organized ceremony supervised by Mrs. Kaempf. Dr. Gibson explained the "meaning of the ring" and the tradition of "turning" to the anxious juniors waiting for their ticket to the upper class. The Seniors gave an impressive reception, during which friends and students practiced the tradition of turning the rings of the Juniors as they wore them for the first time.

*How many times must the Juniors have their rings turned?*

Mandy Macomson and Greg Harding "attend" to their duties.

The Home Economics Department continued the tradition of a Mock Wedding with a spectacular ceremony. This year's couple, Jan Copley and Donnie Mansfield, exchanged their vows and were, for all intents and purposes, married for the day.

Preparing for the wedding and the reception which followed proved to be very involved, as the students soon found out. All their planning and hard work was evident in the success of the ceremony and left those participating with a deep sense of pride.

# Homecoming

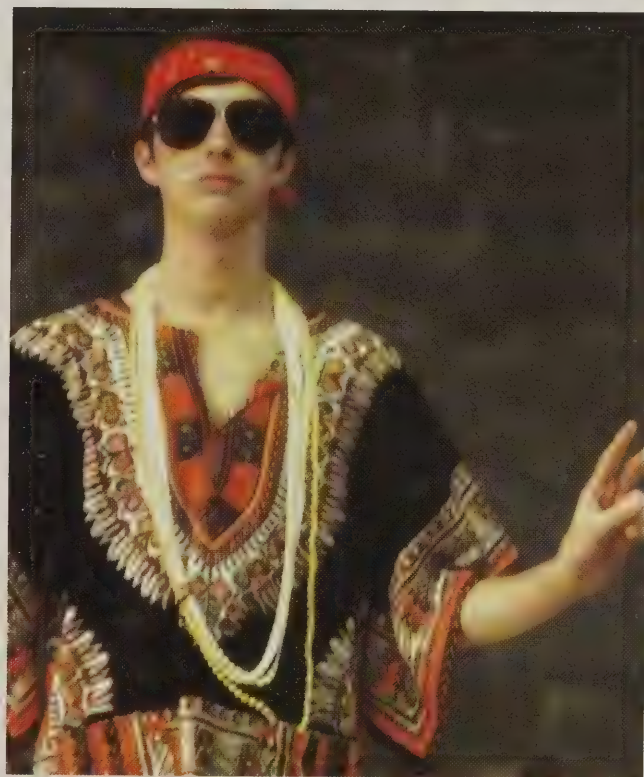

The 1984 Homecoming was celebrated during the week of October 8. Many people participated in the numerous activities which included Spirit Week, the hall decorating contest, the float competition, and of course, the game.

Even after losing to the Chiefs, the Cavaliers' spirit was high for the dance where "Full House" provided the music, and Joey Pausic and Jan Copley reigned as Homecoming King and Queen. Overall, Homecoming Week was one in which we were proud that everybody knew our name was Clover Hill.

Each year the Junior and Senior girls challenge each other on the football field. This traditional game of flag football has usually ended with the Seniors blitzing the Juniors, but . . .

The English Department interacts with every student at Clover Hill through the required curriculum. Elective courses include Journalism I and II and Creative Writing. An advanced placement track is offered in 10, 11, and 12th grades. English class content stresses not only the learning of grammar and the reading of literature, but also encourages effective communication, applies writing to creative and concrete topics, and concentrates on analysis of the written and spoken word. The English teachers attained a 100% membership in VATE for the third year.

"And then the troops moved in ... to the Middle East," according to MR. JAMES ALBERTSON.

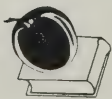

The Social Science Department at Clover Hill High School is both dynamic and progressive. The department teaches a multitude of courses including Geography, World History, United States History, Government, and Sociology.

The department is actively involved outside the classroom in sponsoring many and varied programs designed to give the students a hands-on approach to our curriculum. Such programs include: a model judiciary program, a model county government program, an essay contest on the virtues of private ownership of property and an extensive study of the Presidential electoral process.

Clover Hill's Social Science Department has a plethora of guest speakers who give an unusual insight into their areas of expertise. Also, we give the students opportunities to see history in the making and government in action via way of varied field trips.

Congressman Thomas Bliley speaks to the Social Studies classes.

# Languages and Cultures

The Foreign Language Department offers five years of Latin, German, French, and Spanish. Latin is important for understanding English and the historical influences that it has had in the world. German, French, and Spanish are very important in a world that is becoming smaller socially. The study of other cultures and languages help students understand world neighbors.

Every year the four language clubs enter floats in the Homecoming competition and regularly are successful in winning more than one place. The clubs were involved in many activities within and out of school.

Foreign Language Week is usually held every December involving students, faculty, and administration in some way. The community is involved through invitations to be guest speakers and to attend the Foreign Language Banquet.

The Department is always represented at the Fine Arts Festival of Chesterfield County.

Grading science papers and Yearbook pages is MRS. BONNIE PALMER'S plight in life!

The science curriculum at Clover Hill High School utilizes an inquiry process, lab approach to learning. The general objectives of such a program are to encourage a problem solving approach to all situations, to foster independent thinking, to insure that students think of science as a series of related topics, and to enable students to realize that science is a changing, practical experience.

Since a lab science involves quantitative work, a good math background with good math skills is important for success in science.

Marketing is a vocational instruction program designed to prepare motivated people for marketing careers. Marketing provides students a way to secure entry-level, mid-management, or entrepreneurial positions in marketing, in keeping with their

individual goals. Introduction to Marketing and Fashion Merchandising do not require cooperative on-the-job training. Marketing II and Advanced Marketing require students to maintain employment in their area of interest for school credit.

# The Arts

Clover Hill High School offers a wide variety of arts and skills including mechanical drawing, industrial arts, home economics, and family living, which includes preparation for marriage, engagement ring selection, mock wedding, and budgeting principles for healthy, economical living. Entertaining through luncheons, dinners, and receptions is studied and practiced with the faculty serving as willing tasters! Students enjoy learning how to manage a home and family and become better homemakers.

The art courses feature everything from painting through photography. Students may choose music courses diversified enough to satisfy all musical talent from guitar to viola and from acapella to hit songs.

Physical Education classes, required in the ninth and tenth grades, enable students to relax from academics while becoming physically fit. The basic skills of many sports taught allow students to select and pursue the sport of their choice.

Though in-depth studies in health issues including sex education, alcohol, and first aid; Clover Hill provides a health-wise curriculum to accompany its extensive physical program.

Advanced physical education is available to juniors and seniors as is driver training instruction that students clamor to take.

#### A GRADUATE'S FAREWELL

The moments that we've shared along the way,  
A moment for us all to laugh or cry.  
And now, each one-by-one, we cross the stage,  
As many different people, yet all one.  
We feel relief; we've turned the final page.  
We feel much sadness, too, for this is done.  
We know that faces that we've daily seen,  
The time has come that we will see no more.  
No more to share the moments of each scene,  
For now we must do our separate chore.  
We've shared, but now we must depart from here;  
We say farewell but keep our memories near.
